Narrative

Report Title: Notification of Detainee Death (b)(6);(b)(7)(C)

The message below is distributed on behalf of Executive Associate Director Matthew T. Albence:

Pursuant to ICE policy, I am providing notification of the death of an ICE Detainee: (b)(6);(b)(7)(C)

ISSUE:

On May 16, 2017, ERO Atlanta reported the death of ICE detainee, (b)(6);(b)(7)(C) a 58 year old citizen of India, at the Grady Memorial Hospital in Atlanta, GA. Grady Memorial Hospital medical staff declared (b)(6);(b)(7)(C) deceased at 1320 EDT, with a preliminary cause of death from complications from congestive heart failure.

The Department of Homeland Security (DHS), Office of Inspector General (OIG), and Office of Professional Responsibility (OPR) were notified via the Joint Intake Center (JIC). ERO Atlanta officers have notified the

Indian Consulate. Indian consular staff have notified (b)(6),(b)(7)(C) son, who is the next of kin.

All media inquiries will be referred to the Office of Public Affairs.

BACKGROUND:

On May 10, 2017, (b)(6),(b)(7)(C) applied for admission to the United States at the Hartsfield Jackson International Airport Port of Entry in Atlanta, GA onboard a flight from Quito, Ecuador. On this same date, U.S. Customs and Border Protection (CBP) identified PATEL as an alien intending to immigrate to the United States who was not in possession of the required immigration documents. CBP issued (b)(6),(b)(7)(C) a Form I-860, Notice and Order of Expedited Removal, charging inadmissibility pursuant to §212(a)(7)(A)(i)(I) of the Immigration and Nationality Act, as an immigrant without an immigrant visa. At that time, PATEL expressed a fear of returning to Ecuador, the country where he currently resides. CBP submitted a fear referral package to U.S. Citizenship and Immigration Services (USCIS).

On May 11, 2017, CBP transferred (b)(6),(b)(7)(C) to the Atlanta City Detention Center (ACDC), Atlanta, GA. During the medical intake screening (b)(6),(b)(7)(C) self-reported having high blood pressure and diabetes, for which he took medication. (b)(6),(b)(7)(C) stated he was not insulin dependent. (b)(6),(b)(7)(C) did not have any medication on his person. ACDC medical staff identified that (b)(6),(b)(7)(C) had high blood sugar; however, he refused insulin treatment. ACDC medical staff further identified an "old burn" on his left ring finger.

On May 12, 2017, during a 12-hour blood sugar check, a nurse identified that (b)(6),(b)(7)(C) had shortness of breath, bilateral pitting edema, and dry, circular lesions on bilateral upper and lower extremities. ACDC transported PATEL to Grady Memorial Hospital for evaluation and treatment. Grady Memorial Hospital admitted (b)(6),(b)(7)(C) to the Intensive Care Unit for treatment of suspected congestive heart failure.

On May 15, 2017, ERO Atlanta contacted the Vice Consul for the Consulate of India in Atlanta and advised him of (b)(6),(b)(7)(C) hospitalization and requested his assistance with locating (b)(6),(b)(7)(C) next of kin. The Vice Consul provided contact information for an alleged family friend of (b)(6),(b)(7)(C) named Mr. (b)(6),(b)(7)(C).

On May 16, 2017, Grady Memorial Hospital staff declared (b)(6),(b)(7)(C) deceased at 1320 EDT, with a preliminary cause of death congestive heart failure. ERO Atlanta contacted (b)(6),(b)(7)(C) who stated he was not a family friend but instead was a person known in the Indian community in Atlanta and willing to assist ICE with communicating with (b)(6),(b)(7)(C) son in India. ERO Atlanta conducted a conference call with (b)(6),(b)(7)(C) and (b)(6),(b)(7)(C) son, (b)(6),(b)(7)(C) son agreed to contact the social worker at Grady Memorial Hospital.

(b)(6),(b)(7)(C) is the eighth detainee to pass away in ICE custody in fiscal year 2017.
